## LIFETIME WARRANTY:

Should any Prynt Shop logos, letters or plaques, break or fade, we will replace the defective product for free-for life as long as they remain in the original installed location. (excluding incidents caused by natural elements or vandalism)

Our guarantee covers any defect or breakage incurred under normal use. Any dimensional product used outside will get dirty. Varied climatic and industrial conditions may impact your letter finish. Therefore, regular basic cleaning is recommended. By using a mild dish soap and water, your letters will better retain their original luster.

Painted products can be maintained much like the finish on your car, as we use a good quality paint that is oven baked to a hardened finish. Prynt Shop's Interior products do carry restrictions on installation locations, as the top-coats, substrates and finishes are designed for interior use only. These products do not carry a lifetime warranty if used outdoors.

Prynt Shop's illuminated products, when filled with LEDs, carry the same warranty as the original equipment LED manufacture. Most LEDs are designed to last around five years or 50,000 hours. As the LEDs age, they will diminish in lighting intensity and will eventually need to be replaced.

**TERMS AND CONDITIONS:**

Payment: All prices and amounts shown on this Site are in U.S. Dollars (USD). All prices set forth on the Site and stated herein are based on current costs and subject to change without notice. If a User submits an order on the Site to purchase printing products, promotional products, mailing services, design services or other services, the User agrees that all charges, taxes and shipping/handling fees will automatically be charged to the credit card or paid by User with an approved payment method. Production of all items ordered is subject to the terms outlined

below in the "Turnaround Time" section, and will not begin until an order is fully paid, including shipping and handling fees, if applicable except where Prynt Shop has explicitly agreed to special delayed payment terms (e.g. Net 30) with the User prior to placing an order. **INSTALLMENT FEES ARE SUBJECT TO CHANGE DURING THE TIME OF A SIGN INSTALLATION, AND ALL INSTALLATION FEES ARE DUE ON THE DAY OF INSTALLATION.** Prynt Shop charges sales tax on orders picked-up from or shipped to addresses in accordance with state and local regulations unless you are tax exempt. If you are tax exempt, please email your tax exemption form to [sales@myprynthshop.com](mailto:sales@myprynthshop.com) so that your account may be corrected to reflect your tax exemption status **BEFORE** placing your order.

**Turnaround Time:** Any production turnaround time communicated to you on the Site for a particular item begins after we have received your print-ready files, approval for your proof and full payment for your order. Please allow time for a 12 Hour order processing time + a 24-48 Hour Art design time (if art design is needed). If you have chosen to waive your proof approval, printing turnaround time begins after we have received your print-ready files and full payment for your order. For orders that do not have complete digital source files, or have files that are not print-ready, printing turnaround time will begin after we receive acceptable print-ready files (including files generated using the Site's online design tool) regardless of when payment was made. The Site's online design tool will allow you to generate files that we can use as a basis for printing your order. This online design tool is provided for your convenience only, and we make no representation or warranty that any files that are generated when you use the Site's online design tool are adequate for printing or will meet your specific requirements, as set forth in the Terms & Conditions. Please note that there is no production or shipping on Saturdays, Sundays and holidays. As a result, these days are not considered when calculating printing turnaround time. In addition, while printing turnaround time includes printing, cutting, and binding, it does not include design, mailing, or shipping transit times. You should allow additional business days for delivery based on the shipping method you selected. The estimated printing turnaround time advertised on this site is based on the typical number of hours or days that a print job is completed under normal circumstances, excluding Saturdays, Sundays and holidays. **RUSH SERVICES ARE AVAILABLE**, and fees may apply.

**Cancellation Policy:** An order may not be canceled once it is "In Production". If the order is still in the preflight or proofing stage, it may be canceled subject to the following fees, when applicable: a) any additional design/artwork fees will not be refunded b) Orders placed, paid for and then canceled before 5pm CST on the same day may be refunded in full c) Orders not canceled before 5pm CST will be subject to a cancellation fee of 3.5% of the full order amount.

We reserve the right to refuse any order you place with us. We reserve the right, but are not obligated, to limit the sales of our products or Service to any geographic region or jurisdiction. We may exercise this right on a case-by-case basis. We reserve the right to limit the quantities of any products or services that we offer. All descriptions of products or services, or product or service pricing, are subject to change at any time without notice, at our sole discretion. We reserve the right to modify or discontinue any product or service at any time.

**Refund Policy:** **CUSTOMERS MUST INSPECT THEIR PACKAGE WITHIN 48 HOURS OF RECEIVING OF THEIR ORDER TO RECEIVE EXPEDITED PRODUCTION AND SHIPPING .** If an order is not inspected within the given time restraints then we will still rectify the problem up to 30 days after the receipt of the order by reprinting with standard lead times and re-shipping the items via ground service. All claims made after 30 days of the receipt of the order will be handled on a case-by-case basis at the discretion of Prynt Shop. As always, we want to ensure that our customers are satisfied. If you are not 100% satisfied with your order for any reason, please contact us at [sales@mypryntshop.com](mailto:sales@mypryntshop.com). Our representative will document your complaint and create a ticket for your reference. Defective products will be reprinted and sent to User at no cost to User. Determination of defect is at the sole discretion of Prynt Shop. In most cases, Users will be requested to submit digital photos documenting the product defect and/or ship the defective products back to Prynt Shop. Prynt Shop is not liable for errors in a final product caused by any of the following reasons: a) Spelling, punctuation and grammatical errors b) Low resolution or low quality graphics and images provided by customer c) Artwork files that are not created following our specifications d) Variances in color from the conversion of Pantone or RGB colors to CMYK e) Errors in user-selected options such as size, quantity, paper and finish f) Duplicate orders submitted by the User g) Incorrect files uploaded h)

Incorrect file orientation i) Cracking on folds j) Cutting variances k) Minor discolorations due to laser cutting l) Incorrect or undeliverable shipping address m) Damage to products after delivery to User. All policies are subject to change without prior notification. Some customized products may not be eligible for refund.

Quotes: All quotes are valid for thirty (30) days from the date of the quotation. If acceptance is received after this period has lapsed, the job may be required to be requoted. The Customer must communicate acceptance of the quotation before orders will move into preflight. Once a quote has been approved and the order has been moved into the preflight process, the customer is obligated for payment of any additional artwork/design time done by Prynt Shop. Any instructions from the Customer placing an order or accepting a quote or artwork approval shall constitute acceptance of these terms and conditions. **INSTALLMENT FEES ARE SUBJECT TO CHANGE DURING THE TIME OF A SIGN INSTALLATION, AND ALL INSTALLATION FEES ARE DUE ON THE DAY OF INSTALLATION.**

Proofs: All orders are subject to an artwork proof approval, unless a Bypass Proof Approval was requested by the User in writing or artwork was provided by the User. It is the User's responsibility to respond to Proof Approval emails. We are not liable for delays in the order caused by User's non-approval of the proof. An online proof is by no means an accurate color reproduction of your final printed piece but is the final opportunity for you to check the layout, bleeds, crops and final text. Electronic proofs do not show transparency and over print issues, nor do they show color change from RGB or Pantone to CMYK. The proof must be treated as independent from the original submitted file and thoroughly reviewed prior to approval. It should be checked against the original file for possible errors in layout, copy, spacing, punctuation or image placement. User is fully responsible for all that is contained in the final approved proof.

Artwork Files: Our prepress department checks all submitted artwork files before printing, but you are still 100% responsible for the accuracy and resolution of your print-ready artwork files, and we encourage you to proofread all files carefully before submitting to Prynt Shop. Prynt Shop is not responsible for any issues as to orientation or alignment of the pages of your submitted artwork. By submitting the artwork to Prynt Shop, you certify that you have the right to use the image(s) in your artwork files. You accept full legal liability for the content of material processed and printed on your behalf and under your instructions. We reserve the right to refuse an order without disclosing a reason. Prynt Shop may also provide artwork design tools which offer a limited number of elements, including icons, fonts, color schemes, and design effects. We reserve the right to use and offer all such elements to other parties in the future. Other Prynt Shop Users may use the same design tools to create images that may have similar or identical combinations of these elements. Prynt Shop provides no warranty of any kind that artwork created using the design tool will not infringe, or be subject to a claim of infringing, on the trademark, copyright or other rights of another party. It is solely your responsibility to obtain the advice of an attorney regarding whether any image, mark, logo name or design is legally available for your use and does not infringe on another party's rights. Prynt Shop is not responsible for the deletion or failure to store any file whether uploaded or designed on our website. We reserve the right to delete any file stored which has been inactive for an extended period of time, or for any other reason, without prior notice.

**ALL ARTWORK AND DESIGNS CREATED BY PRYNT SHOP REMAIN THE SOLE PROPERTY OF PRYNT SHOP, INCLUDING FULL RIGHTS AND OWNERSHIP, UNLESS A SEPARATE PURCHASE OF SAID RIGHTS IS MADE BY THE CUSTOMER.**

Shipping: Unless you choose Pick Up or Mailing Services, you need to select one of the shipping methods presented to you on the Site. All shipping may be done using UPS, USPS or other freight carriers. Prynt Shop reserves the right to use the most appropriate carrier for the required transit time and destination. When choosing a shipping method, please remember that the estimated shipping transit time is based on the number of business days in transit and does not include weekends, holidays or the day the package is picked up by the carrier. Prynt Shop's responsibility is limited to preparing your printing order and turning it over to the carrier for shipping. Shipping transit times vary and Prynt Shop assumes no responsibility for delays caused by shipping carriers, weather or any damages resulting from the failure to receive a job on time. Please refer to our shipping transit

maps for any questions regarding estimated transit times. Prynt Shop is not liable for damages that occur during shipping. Pick up orders will be kept for 30 days from the send date of the pick-up notification email. If the order has not been picked up from Prynt Shop's facility within 30 days, it will be recycled.

Prynt Shop reserves the right to update and or modify these terms and conditions without prior notice to you.

All materials we create in producing your printed product are the property of Prynt Shop. Although these materials will NOT be sold to any other party, we reserve the right to distribute free samples or advertise with your printed product.
