

Building Maintenance Request

I respectfully request that Commissioners Court approve the purchase of a new 2026 GMC Sierra 2500HD for \$51,788.30 to replace the 2013 Ford F-150, which will be transferred to I.T. once the new position is created. Approving this purchase now would allow sufficient time to outfit and prepare the new truck before the current vehicle is reassigned. Cheryl Kepp has already completed the necessary research and located this vehicle on the lot, ready for purchase. If approved, the acquisition could be funded through the Unallocated line item, which currently has a balance of \$138,000.
